Education

JS University   Expected July 2025
Bachelor of Computer Applications (B.C.A.)   *Firozabad , U.P.*

SKILLS

- JAVA
- MySQL
- JavaScript
- HTML
- Spring Boot
- React JS
- Tailwind CSS
- CSS

Languages

- Hindi
- English

Projects

School Management | *Spring Boot , JWT Authentication , MySQL , React JS , Tailwind CSS*

- Built a School Management system with React and Tailwind CSS for a responsive UI.
- Developed backend with Spring Boot and MySQL for data management and authentication.
- Integrated frontend and backend seamlessly, ensuring efficient communication and a smooth user experience.

Press Confrence Ticket Booking | *Spring Boot , MySQL , React JS , Tailwind CSS*

- This website is built using React for the frontend and Spring Boot for the backend.
- It features a responsive design powered by Tailwind CSS, ensuring an optimal experience across all devices.
- The backend is robust, managing complex data operations and secure ticket seamlessly.

Online PDF Notes | *React JS , GitHub*

- Developed a comprehensive web application for managing PDFs and accessing programming cheat sheets.
- Utilized HTML, CSS, and React.js to create an intuitive interface with features for PDF handling and quick reference to coding syntax.
- **Project Link** : https://codingscape.netlify.app/

Portfolio Website | *React JS*

- Created a responsive and visually appealing layout to ensure optimal viewing on various devices.
- Integrated interactive elements and animations to enhance user engagement.
- **Project Link :** (https://sachinkyadav.netlify.app/)
